Attorney Docket No. 1203-48

DECISION ON PETITION

This is a decision on the petition under 37 CFR §1.182, filed August 20, 2012, to revive the above-identified application.

The petition is **dismissed**.

A petition for duplicate Letters of Patent under 37 CFR 1.182 must be made by an appropriate party of interest, i.e., the attorney of record, the applicant(s), or the assignee. A power of attorney appointing the James N. Baker as the attorney of record was found among the application papers and signed by Kyu-Nung Chung. Mr. Chung is noted in USPTO records as the assignee. However, the power of attorney cannot be entered because a statement under 37 CFR 3.73(b) did not accompany the power of attorney. Before a petition under 37 CFR 1.182 for duplicate letters of patent can be granted, petitioner must file an appropriate power of attorney designating James N. Baker as the attorney of record along with a certificate under 37 CFR 3.73(b) (enclosed). Petitioner is provided a courtesy copy of this decision, however, all future correspondence will be mailed solely to the address of record.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3222.
